NONEXCLUSIVE AGREEMENT

This Agreement between THE BOARD OF TRUSTEES OF THE LELAND STANFORD JUNIOR UNIVERSITY ("Stanford"), an institution of higher education having powers under the laws of the State of California, and ___________ ("Company"), a corporation having a principal place of business at ____________________________________________________________________________,
is effective on the ____ day of ________, 20____ ("Effective Date").

1 BACKGROUND

Stanford has an assignment of an invention entitled “Green Fluorescent Protein (GFP) Mutants,” which was invented in the laboratory of Stanley Falkow, and is described in Stanford Docket S95-040. The invention was made in the course of research supported by the National Institutes of Health.

2 DEFINITIONS

2.1 "Licensed Field of Use" means all fields.

2.2 "Licensed Patent" means Stanford's U.S. Patent Number 5,804,387, U.S. Patent Number 5,994,077, U.S. Patent Number 6,090,919, any reexamination application, and each patent that reissues from any of these patents. Any claim of an unexpired Licensed Patent is presumed to be valid unless it has been held to be invalid by a final judgment of a court of competent jurisdiction from which no appeal can be or is taken.

2.3 "Licensed Product" means a product or part of a product in the Licensed Field of Use the making, using, importing or selling of which, absent this license, infringes, induces infringement, or contributes to infringement of a Licensed Patent.

2.4 "Licensed Territory" means the world.

2.5 "Net Sales" means all gross revenue derived through Company from Licensed Product. Net Sales excludes the following items (but only as they pertain to the making, using, importing or selling of Licensed Products, are included in gross revenue, and are separately billed):

(A) import, export, excise and sales taxes, and custom duties;

(B) costs of insurance, packing, and transportation from the place of manufacture to the customer's premises or point of installation;

(C) costs of installation at the place of use; and

(D) credit for returns, allowances, or trades.
2.6 "Stanford Indemnitees" means Stanford and Stanford Hospitals and Clinics, and their respective trustees, officers, employees, students, and agents.

3 GRANT

3.1 Grant. Subject to the terms and conditions of this Agreement, Stanford grants Company a license under the Licensed Patent in the Licensed Field of Use to make, have made, use, import, offer to sell and sell Licensed Product in the Licensed Territory.

3.2 Nonexclusivity. The license is nonexclusive in the Licensed Field of Use beginning on the Effective Date and ending when the last Licensed Patent expires.

3.3 Specific Exclusion. Stanford does not:
   (A) grant to Company any other licenses, implied or otherwise, to any patents or other rights of Stanford other than those rights granted under Licensed Patent, regardless of whether the patents or other rights are dominant or subordinate to any Licensed Patent, or are required to exploit any Licensed Patent;
   (B) commit to Company to bring suit against third parties for infringement; and
   (C) agree to furnish to Company any technology or technological information or to provide Company with any assistance.

4 SUBLICENSING

Company may not grant sublicenses.

5 GOVERNMENT RIGHTS

This Agreement is subject to Title 35 Sections 200-204 of the United States Code. Among other things, these provisions provide the United States Government with nonexclusive rights in the Licensed Patent. Company will ensure all obligations of these provisions are met.

5.1 Progress Report. By March 1 of each year, Company will submit a written annual report to Stanford covering the preceding calendar year. The report will include information sufficient to enable Stanford to satisfy reporting requirements of the U.S. Government and for Stanford to ascertain progress by Company toward meeting this Agreement’s diligence requirements. Each report will describe, where relevant: Company’s progress toward commercialization of Licensed Product, including work completed, key scientific discoveries, summary of work-in-progress, current schedule of anticipated events or milestones, market plans for introduction of Licensed Product, and significant corporate transactions involving Licensed Product.
6 ROYALTIES

6.1 Issue Royalty. Company will pay to Stanford a noncreditable, nonrefundable license issue royalty of $20,000 upon signing this Agreement.

6.2 License Maintenance Fee. Company will pay Stanford a yearly license maintenance fee as follows:

(A) $20,000 on the first, second and third anniversaries of the Effective Date; and

(B) $35,000 on the fourth anniversary and each anniversary thereafter.

Yearly maintenance payments are nonrefundable, but they are creditable each year as described in Section 6.5.

6.3 Earned Royalty. Company will pay Stanford earned royalties of 5% on Net Sales of Licensed Products.

6.4 Earned Royalty if Company Challenges the Patent. Notwithstanding the above, should Company bring an action seeking to invalidate any Licensed Patent, Company will pay royalties to Stanford at the rate of 10 percent (10%) of the Net Sales of all Licensed Products sold during the pendency of such action. Moreover, should the outcome of such action determine that any claim of a patent challenged by Company is both valid and infringed by a Licensed Product, Company will pay royalties at the rate of 15 percent (15%) of the Net Sales of all Licensed Products sold.

6.5 Creditable Payments. The license maintenance fee for a year may be offset against earned royalty payments due on Net Sales occurring in that year.

For example:

(A) if Company pays Stanford a $10 maintenance payment for year Y, and according to Section 6.3 $15 in earned royalties are due Stanford for Net Sales in year Y, Company will only need to pay Stanford an additional $5 for that year’s earned royalties.

(B) if Company pays Stanford a $10 maintenance payment for year Y, and according to Section 6.3 $3 in earned royalties are due Stanford for Net Sales in year Y, Company will not need to pay Stanford any earned royalty payment for that year. Company will not be able to offset the remaining $7 against a future year’s earned royalties.

6.6 Obligation to Pay Royalties. A royalty is due Stanford under this Agreement for any activity conducted under the licenses granted. For convenience’s sake, the amount of that royalty is calculated using Net Sales. Nonetheless, if certain Licensed Products are made, used, imported, or offered for sale before the date this Agreement terminates, and those Licensed Products are sold after the termination date, Company will pay Stanford an earned royalty for its exercise of rights based on the Net Sales of those Licensed Products.

6.7 No Escrow. Company shall not pay royalties into any escrow or other similar account.
6.8 **Currency.** Company will calculate the royalty on sales in currencies other than U.S. Dollars using the appropriate foreign exchange rate for the currency quoted by the Wall Street Journal on the close of business on the last banking day of each calendar quarter. Company will make royalty payments to Stanford in U.S. Dollars.

6.9 **Non-U.S. Taxes.** Companies will pay all non-U.S. taxes related to royalty payments. These payments are not deductible from any payments due to Stanford.

6.10 **Interest.** Any payments not made when due will bear interest at the lower of (a) the Prime Rate published in the Wall Street Journal plus 200 basis points or (b) the maximum rate permitted by law.

7 **ROYALTY REPORTS, PAYMENTS, AND ACCOUNTING**

7.1 **Semi-Annual Earned Royalty Payment and Report.** Beginning with the first sale of a Licensed Product, Company will submit to Stanford a written report (even if there are no sales) and an earned royalty payment within 30 days after the end of each 6-month period ending either June 30th or December 31st. This report will be in the form of Appendix A and will state the number, description, and aggregate Net Sales of Licensed Product during the completed 6-month period. With each report, Company will include any earned royalty payment due Stanford for the completed 6-month period (as calculated under Section 6.3).

7.2 **No Refund.** In the event that a validity or non-infringement challenge of a Licensed Patent brought by Company is successful, Company will have no right to recoup any royalties paid before or during the period challenge.

7.3 **Termination Report.** Company will pay to Stanford all applicable royalties and submit to Stanford a written report within 90 days after the license terminates. Company will continue to submit earned royalty payments and reports to Stanford after the license terminates, until all Licensed Products made or imported under the license have been sold.

7.4 **Accounting.** Company will maintain records showing manufacture, importation, sale, and use of a Licensed Product for 7 years from the date of sale of that Licensed Product. Records will include general-ledger records showing cash receipts and expenses, and records that include: production records, customers, invoices, serial numbers, and related information in sufficient detail to enable Stanford to determine the royalties payable under this Agreement.

7.5 **Audit by Stanford.** Company will allow Stanford or its designee to examine Company’s records to verify payments made by Company under this Agreement.

7.6 **Paying for Audit.** Stanford will pay for any audit done under Section 7.5. But if the audit reveals an underreporting of earned royalties due Stanford of 5% or more for the period being audited, Company will pay the audit costs.

7.7 **Self-audit.** Company will conduct an independent audit of sales and royalties at least every 2 years if annual sales of Licensed Product are over $5,000,000. The audit will address, at a minimum, the amount of gross sales by or on behalf of

Company during the audit period, the amount of funds owed to Stanford under this Agreement, and whether the amount owed has been paid to Stanford and is reflected in the records of the Company. Company will submit the auditor’s report promptly to Stanford upon completion. Company will pay for the entire cost of the audit.

8 EXCLUSIONS AND NEGA\TION OF WARRANTIES

8.1 Negation of Warranties. Stanford provides Company the rights granted in this Agreement AS IS and WITH ALL FAULTS. Stanford makes no representations and extends no warranties of any kind, either express or implied. Among other things, Stanford disclaims any express or implied warranty:

9.4 Insurance. During the term of this Agreement, Company will maintain Comprehensive General Liability Insurance, including Product Liability Insurance, with a reputable and financially secure insurance carrier to cover the activities of Company. The insurance will provide minimum limits of liability of $5,000,000 and will include all Stanford Indemnitees as additional insureds. Insurance must cover claims incurred, discovered, manifested, or made during or after the expiration of this Agreement and must be placed with carriers with ratings of at least A- as rated by A.M. Best. Within 15 days of the Effective Date of this Agreement, Company will furnish a Certificate of Insurance evidencing primary coverage and additional insured requirements. Company will provide to Stanford
30 days prior written notice of cancellation or material change to this insurance coverage. Company will advise Stanford in writing that it maintains excess liability coverage (following form) over primary insurance for at least the minimum limits set forth above. All insurance of Company will be primary coverage; insurance of Stanford and Stanford Hospitals and Clinics will be excess and noncontributory.

10 EXPORT

Company warrants that Company will not export or reexport the following, directly or indirectly, to any country, individual or entity except when such export or reexport is authorized in full compliance with the laws and regulations of the United States of America, as applicable:

(A) the licensed technology, or any portion thereof, or
(B) any foreign produced direct product (including equipment, processes or services) of the licensed technology; or

   (4) provides any false report.

(B) Termination under this Section 14.2 will take effect 30 days after written notice by Stanford unless Company remedies the problem in that 30-day period.

14.3 Surviving Provisions. Surviving any termination or expiration are:

(A) Company's obligation to pay royalties accrued or accruable;
